#### MESSAGE FROM THE BISHOP

#### "Statement regarding the Disaster on Maui"

I would like to express my deepest condolences to those who lost their lives as a result of the disaster in Maui, and my heartfelt sympathy to those who have lost their homes and are living as evacuees.

The fire that broke out on August 8, 2023, devastated the city of Lahaina. As of today, 93 people are confirmed to have died, and more than 2,000 buildings have been damaged or destroyed. The historic town of Lahaina, which was once the capital of the Hawaiian Kingdom and a beautiful tourist destination visited by many people, was burnt to the ground.

Lahaina Hongwanji Mission, located in the center of the city, was not spared the destruction by the fire. The Resident Minister, Reverend Ai Hironaka, his family, and many of the temple members have safely evacuated and are currently living a life of inconvenience. As for the damage to the temple, it is expected to take some time to confirm its state, partly because the town is under lockdown.

The history of the Lahaina Hongwanji Mission began in 1904. Since then, the light of the Nembutsu Dharma has been successfully passed down through the dedication and contribution of the Resident Ministers, their families, temple members, and many people in the community. Lahaina Hongwanji Mission, along with other churches and temples, was the place of refuge for the people living in the area. I remember the sound of the Nembutsu reverberating in the Hondo on Sundays. It is truly sad for all of us that such a practice hall of the Nembutsu was destroyed by the disaster.

The Honpa Hongwanji Mission of Hawaii established the Maui Wildfire Disaster Relief Fund. Since then, we have received much support not only from within the State of Hawaii but also from all over the world, including the mainland United States, Canada, and Japan. On behalf of the Honpa Hongwanji Mission of Hawaii ministers and members, I would like to express my sincere gratitude to those who extended compassionate words and actions for those on Maui. I would like to humbly ask for your continued support.

Recovery on Maui could take years. Many people are living in anxiety about their uncertain future. As fellow travelers of the Nembutsu, let us stand in solidarity with those who are experiencing suffering and sorrow brought about by this unprecedented encounter.

Even though the temple buildings have been damaged, our sincere aspiration of listening to and sharing the Nembutsu teaching never disappears. This is not the end of 119 years of the history of Lahaina Hongwanji. We are all the more determined to dedicate ourselves to establishing a society where the sound of the Nembutsu prevails.

May the Wisdom and Compassion of Amida Buddha embrace us all. May the sound of the Nembutsu brings us peace and comfort, and gives us the courage to move forward. Namo Amida Butsu.

#### PRESIDENT'S MESSAGE

Aloha all. I hope you are well. The Maui Wildfire Disaster fills the news as we find out a little more each day about the wildfire's rapid spread, the work being done to care for those displaced from their homes, and the ongoing effort to find those who are still missing. We do know that the Lahaina Hongwanji temple buildings (with possible exception of the columbarium) have burned to the ground. My sincere condolences to those who have lost loved ones and sincere sympathy to those who have lost their homes and possessions.

We are grateful that there has been an outpouring of support from around the world. Donations of food, clothing, and monetary donations have arrived on Maui. The Federal Emergency Management Agency (FEMA) is on the groundth in Maui, coordinating the disaster response with State and County agencies and personnel.

I am grateful that we (Honpa Hongwanji Mission of Hawaii) have been able to respond to this disaster, working together as a family. A GoFundMe effort was quickly organized, spearheaded by Rev. Kerry Kiyohara and has raised tens of thousands of dollars. The Honpa Hongwanji Mission of Hawaii's **Maui Wildfire Disaster Relief Fund** was established with the goals of supporting non-profit agencies providing relief for everyone affected by the disaster (such as the Red Cross and Hawaii Community Foundation's Maui Strong) and the Lahaina Hongwanji temple members. Information about the Maui Wildfire Disaster Relief Fund was shared with our sister organizations at the Buddhist Churches of America, the Jodo Shinshu Buddhist Temples of Canada and our mother temple (Honzan) in Kyoto, Japan. We have many friends all over the world and they are eager to help.

The Maui Wildfire Disaster Relief Fund has raised tens of thousand of dollars. If you are not familiar with this term, please check with your temple leaders or go to the Honpa Hongwanji Mission of Hawaii website at <a href="https://hongwanjihawaii.com">https://hongwanjihawaii.com</a>. The HHMH Social Concerns Committee will be responsible for distributing the money collected for this fund drive, with valuable input from Maui members.

Here are a few of the things that we are doing to help our friends on Maui. The Social Concerns Committee helped with setting up the Maui Wildfire Disaster Relief Fund, disseminating the information on social media and by keeping us informed of relief efforts that are available on Maui. The HHMH website is updated regularly and is an excellent place to find information about our effort to support the people of Maui. A group of ministers and temple leaders from Maui meets regularly via Zoom with the goal of connecting with Lahaina members and providing assistance with housing and other immediate needs. Phone calls to the Lahaina Hongwanji temple have been rerouted to Headquarters to help our Lahaina leadership and possibly get information about missing members. At the time of this writing, we are still trying to collect as much information about our Lahaina members as possible. Bishop Toshiyuki Umitani visited Maui on August 19<sup>th</sup>, to meet with key ministers and temple members on Maui. Thank you, Bishop Umitani.

I am thankful for the tremendous effort that our Sangha has made to help those who are suffering from the effects of the Maui wildfires. Headquarters personnel, District Councils, suborganizations such as the BWA, individual temples, and Sangha members have contributed to the relief effort. There may be more that we can do. If you have any suggestions or are able to help, please call our headquarters or send an email.

In Gassho.

Dr. Warren Tamamoto

President, Honpa Hongwanji Mission of Hawaii

## **NAMOAMIDABUTSU**

## What can I do" during a disaster? —o-mimai as an expression of caring—

As the impact of the wildfires on Maui becomes clearer each day, an all-too-human response would be to become overwhelmed emotionally, mentally, and spiritually, and frozen into the anxiety of inaction.

We are horrified, our rational minds are filled with images of destruction and anguish. Our compassionate hearts go out to so many people who have lost so much.

We want to help but "what can I do?"

Our compassionate hearts fill with sadness at the suffering of so many people, some we may know personally and countless people we have never met and will never meet. "What can I do?"

Our rational mind knows that, born human, we are simply grains of sand on the beach with waves of impermanence crashing down on us. "What can I do?"

This single thought-moment forces us to confront our limitations as ordinary human beings compelled to want to help, to bring comfort, to alleviate suffering, and yet ... we cannot help people as we may wish because we are, in fact, only human. "What can I do?"

The Japanese tradition of *o-mimai* gives us a path forward. *O-mimai* can be translated as "honorific expression of caring" to people who have experienced loss, grief, sadness, illness, or the pain of not knowing in the aftermath of a disaster.

The Japanese tradition of *o-mimai* guides us to **making the <u>effort</u> to express our caring.** The key insight of *o-mimai* is the <u>expression of caring</u> brings *our* compassionate hearts and rational minds back into balance because we re-connect with people in our lives.

In this re-connection, we truly grasp the inter-connectedness of all life, the Truth of Non-Self "it's not about ME (my ego)," and the preciousness of this unrepeatable life and of all life.

The act of expressing our caring offers hope for people in suffering because if you've lost everything, knowing people care about you can be the first step toward rebuilding one's life.

When you feel overwhelmed by "what can I do?"

- —reach out and show people in your unrepeatable life you care
- —give your 'ohana loved ones a big hug every time you see them
- —say "aloha" with kind eyes to everyone you encounter today
- —gather the 'ohana extended family together to share a meal
- —just say NamoAmidaButsu! in joy and gratitude for this unrepeatable life

All of these actions are "what I can do" today, right here, right now!

In the Jodo Shinshu Hongwanji tradition, we express our gratitude for this unrepeatable life, and our connection with all life, by putting our palms together in *gasshō*, bowing our heads, and saying Namo Amida Butsu, Namo Amida Buddha, taking refuge in all-inclusive Wisdom and all-embracing Compassion.

NamoAmidaButsu!

Mahalo,

Rev. Kerry

On August 5, 2023, our "once upon a time" Rev. Toshiyuki Umitani became our 17<sup>th</sup> Bishop of Honpa Hongwanji Mission of Hawaii at his Investiture Ceremony at Honpa followed by a luncheon at the Sheraton Waikiki.

I say "once upon a time" minister because Rev. Umitani was assigned to MHBT on March 1, 2005. He served our congregation for approximate 6 years. Rev. Umitani was then assigned to Honpa as the Executive Assistant to Bishop Eric Matsumoto.

It is a privilege to have this connection with the new Bishop. Namo Amida Butsu, Bishop Umitani, as you continue your journey with the guidance of Amida Buddha.

We know in our heads that life is not predictable. But do we really consider it deep in our being? Or, will we only contemplate the thought when something destructive and devastating could happen to us? When Hurricane Dora came knocking at our doors, most thought of strong winds and the slim chance of rain. People were shocked when they tried to evacuate to find roads impassable. What was happening on the westside of the island? Only a few were aware that the Lahaina fire was consuming whatever its wicked flames could engulf. Lahaina underwent strong, unmanageable winds sprinkled with sparks that ignited dry brush that swirled unpredictably in the windy conditions. Unfortunately, the winds also affected homes on the slope of Haleakala. Many of us were in awe.

Maui continues to grieve the devastation of Dora that hit on August 8, 2023. The wind and fire were nothing anyone could have ever imagined. The acceptance and understanding of what happened will take a long time and the challenging process of planning and restructuring will be lengthy. This process will need immense patience, cooperation and thoughtful deliberation among many. Namo Amida Butsu.

I recently went to a Buddhist service where the MC shared this thought. In the face of adversity and disaster, remember the words of the Buddha: "Every experience, no matter how difficult it may seem, is a chance for growth and transformation. Just as a lotus flower emerges from the mud, our true strength and wisdom can arise from the challenges we face. Embrace the present moment with peace and harmony, for it is through facing life's trial that we can cultivate compassion, resilience and inner peace. Keep your heart open and your mind steady, for in the midst of chaos, you have the capacity to find peace." *Namo Amida Butsu* 

May your day be filled with smiles, laughter and kindness,

#### Karen

#### Makawao Jr. YBA

By: Diane Nako

Our Makawao Jr YBA'ers had a summer retreat on Thursday, June 22, 2023 prior to attending the 66th Jr. YBA State convention. It started off with an early morning flight to Oahu headed for the Wet N Wild park in Kapolei. Before heading out to the West side of Oahu we made a quick stop off at the Don Q. store in Pearl City browsing the many Japanese goods, snacks and electronics. We managed to stay safe on the rides while having a bunch of fun! The Jr's also enjoyed staying at the Embassy Suites in Kapolei along with shopping at the Ka Makana Alii and getting to experience all you can eat Hawaii shabu shabu pot!

With an early morning start we then checked out the hotel and spent time enjoying more shopping and eating at the Ala Moana Center prior to meeting up with the other Jr' YBA'ers.

This year's convention, June 23-25 was held at the Buddhist Study Center with lodging and meals at the University of Hawaii at Manoa's Frear Hall dormitory. It was like a flashback for advisor, Diane Nako, who was once a student there many many years ago! All of our meals were at the Hale Aloha student cafeteria with self service counters offering pizza, pasta, ice cream, kalua pork, etc. which provided a wide array of choices! Our services and business meetings were held at the Buddhist Study Center which was about a ½ mile walk from our dorm but the time went by quickly as we chatted and enjoyed the walk with one another.

Jaimee and Kaylie presented the Maui United Jr YBA model contest for 2022 in which they were recognized as the best entry. Our group photos were done at the East West Center located on the University of Hawaii at Manoa's campus. This year's silent auction proceeds were donated to the Peace on your Wings musical troupe for their performance at Hiroshima, Japan.

One of the highlights of the convention was that Jaimee Yokoyama was selected Miss Jr YBA of Year and Kaylie Okuni runner up. We are also proud to say that both Jaimee (Treasurer) and Kaylie (Vice President) will continue as Federation Officers for the upcoming year!

An important resolution that was voted and passed was to the Expand age of HHMH Jr. YBA to include 6th grade and past two years post high school. For those of you who are interested or know of anyone who's interested in joining Jr. YBA please contact the office.

L to R: Karen, Marilyn, Jean, Diane, Alison. BWA ladies visit Hale Makua on August 20, 2023. Carol also attended, not in photo.

#### **TROOP 180**

By: Sheri De Jesus

At the end of summer, Troop 180 (all girls) had the opportunity to get to know visiting Troop 310G (all girls) from Torrance, CA. We joined them on a community service project at Kipuka Olowalu, enjoyed a Haleakala sunset and star gazing together and became fast friends. It wasn't since they left to return home when the Maui Fires broke out and our new friends were amongst the first to check in on our Troop 180 families.

Immediately Troop 310G went to work collecting donations for a place they had to come to love, our home, Maui. The first shipments arrive via Amazon. Troop 180 will be receiving the remainder by early September.

Mahalo also to the quick actions of the Makawao Hongwanji members for sorting and fulfilling many of the initial donation requests we received from the scout office. Two truck loads were sent to Camp Maluhia for their shelter efforts. Thank you Pack 18 and Pack 180 for all your support and efforts to help our Maui families need!

#### **BISHOP TOSHIYUKI UMITANI INVESTITURE CEREMONY**

On August 5, 2023, ten members of Makawao Hongwanji traveled to Honolulu to attend Bishop Umitani's investiture ceremony. It was a grand event, filled with tradition and ceremony. With all the ministers in attendance, the chanting and singing were enjoyably robust and grand. It was also very nice to be able to hug the first family. Most of us remember when the Umitanis lived with us for over five years when Rev. Umitani was our resident minister. Riho was born here! It was also wonderful to visit with Kenny (Marilyn's son living on Oahu) and Garrett/Ayaka (Gail's son/daughter-in-law living on Oahu).

Naho and Riho Umitani, all grown up!

Rev. Matsumoto (L) read and presented letter of appointment to Rev. Umitani from Gomonshu Kojun Ohtani.
